Message from the Minister

It is my pleasure to introduce the 1990 edition of British Columbia Public Libraries Statistics.

As a compilation of financial and performance data for the calendar year 1990, this publication provides a snapshot summary of the activities of British Columbia's public libraries. It is a valuable planning and measurement tool for library staff, library trustees, and local government officials.

The annual statistics could not be produced without the continuing cooperation and support of all public libraries. I want especially to thank all those people who are involved in the collection and reporting of the statistics.

The Library Services Branch of my Ministry would be pleased to receive your comments or suggestions for improvements to the publication.

Honourable Robin Blencoe
Minister of Municipal Affairs, Recreation
and Housing

THE ORGANIZATION OF PUBLIC LIBRARIES IN BRITISH COLUMBIA

A **Reading Centre** is the minimal unit of public library service eligible for provincial support. It is sponsored by a community organization and is established upon approval of the Minister. Seventeen Reading Centres provide library service to 8,440 residents of British Columbia.

The Minister may approve the establishment of a **Public Library Association** under Part Two of the Library Act. The Association has corporate powers and is responsible for the operation of the library. A Public Library Association is not supported through direct taxation, although it may receive grants from several sources including local government. In British Columbia, 49 Public Library Associations serve 247,552 individuals.

A **Municipal Public Library**, supported from municipal revenues, may be established under Part Three of the Library Act following the passage of a municipal bylaw. Of the eighteen Municipal Public Libraries, serving a total population of 1,477,909, eight belong to the Greater Vancouver Library Federation.

A **Consolidated Public Library** may be established under Part IV: **Regional Library Districts**, or Part V (41): **Integrated Public Library System**, of the Library Act. A Regional Library District is made up of municipalities and school districts and is established following a plebiscite. An Integrated Public Library System is established by one or more regional districts which have assumed library service as one of their functions. Three Regional Library Districts and one Integrated Public Library System serve 1,091,252 British Columbians.

Section 40.1 of the Library Act allows two or more public library boards to establish a **Federated Public Library System** to provide common services, while member library boards retain responsibility for local services. Eight municipal public libraries, serving 884,164 residents of British Columbia's lower mainland, participate in a Federated Public Library System.

BRITISH COLUMBIA PUBLIC LIBRARIES
- SUMMARY AND COMPARISON -

	1990		1989		1980	
Total Population of Province	2,887,041	(1986 Census)	2,887,041	(1986 Census)	2,466,608	(1976 Census)
